## REVIEW REPORT

To the Board of Directors of **RIB** Limited

We have reviewed the accompanying statement of unaudited financial results of BLB Limited for the quarter ended on 31st December, 2014 and the year to date results for the period 1st April, 2014 to 31st December, 2014 except for the disclosures regarding "Public shareholding and "Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/Committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with Accounting Standards issued under the Companies (Accounting Standards) Rules, 2006 which continue to apply as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges including the manner in which it is to be disclosed, or that it contains any material misstatement.
