Subject: Clarification w.r.t mentioning total number of shareholders in e-Form MGT- 7 (Annual Return of the Company) for the FY 2024-25 and break up of total number of shareholders.

Dear Sir,

This is in reference to e-form MGT-7 being filed with your good office for the FY 2024-25.

In Point VI i.e. Break Up of total number of shareholders and Point XIII i.e. Details of Shareholders, of Form MGT-7, total number of shareholders indicates the total number of folios (without consolidation of shareholding of public shareholders) as on March 31, 2025.

Total number of shareholders of the Company as on March 31, 2025 are **14,267**, however, pursuant to SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2017/128 dated December 19, 2017, as on March 31, 2025 total number of shareholders, after consolidation of shareholding of public shareholders which are having more than one folio on the basis of their PAN, where available, are **14,632**.

Further, as per the data received from our Registrar and Share Transfer Agent (RTA), folios available with Central Depository Services Limited (CDSL) contains gender of shareholders (i.e. Male/ Female/ Transgender) whereas the folios available with National Securities Depository Limited (NSDL) do not contain gender of the shareholders. Therefore, we have manually mentioned the gender of shareholders against NSDL's folios.

You are requested to take note of the same.
